

# ORGANIX IMMUNE SYSTEM BUILDERS

*A New Beginning for Better Immune Health*

## 1. Immune Guard

Provides ultimate immune system support for:

- Maintaining peak natural killer cell function
- Enhanced cytokine protection
- Promote optimal T-Cell and Macrophage activity

A safe and very effective immune product that can take your immune health to the next level! It is very helpful for those who are “run-down”, under stress or who feel as if they are coming down with a cold, flu or other things that stress the immune system. This amazing product contains twenty selected herbs to feed and nourish just about every part of the body. The leading herbs of major significance are:

- Agaricus Blazei Murrill 4:1 Concentrate
- Astragalus Root
- Panax Ginseng
- Ganoderma
- Schizandra 4:1 Concentrate

followed by 15 other herbs assisting these five major herbs in supporting a healthy immune system. For a cold or a more serious concern, DR- Immune 101 comes to the rescue, is non-stimulating and completely safe to take in almost every situation.

Feel the difference with Immune 101!
